

Get To Know Your PACE Nurse Practitioner

Charlene Trouillot, ANP

InnovAge Colorado PACE

“My goal is to help older adults live their best lives. I enjoy being part of entire healthcare team dedicated to this same purpose for our participants.”

— Charlene Trouillot

Charlene earned her Bachelor of Science, Nursing from the University of Rhode Island and her Master of Science, Nursing from the University of Colorado. She is board certified as an Adult Nurse Practitioner.

Prior to joining InnovAge, she worked at the University of Colorado Cancer Center and Kaiser Permanente.

Charlene lived in Rhode Island and Massachusetts before moving to Colorado. She enjoys reading, listening to live music and spending time with family and friends-especially if it involves a beach vacation.
